

## Alpine Beach Retail Store

“Working with the LA team was a very positive experience.”

RODNEY BALL, OWNER

LA group of companies

### PROJECT DETAILS

CLIENT

Futuresport

DESIGN

SM Architects

CONSTRUCTION TIME

15 weeks

PROJECT COST

\$270,000

LA were the successful tenderer for the demolition works and the construction of a new retail outlet to adjoin the current warehousing facilities opposite Fountain Plaza on the Central Coast Highway at Erina. The building consisted of slab-on-ground, structural steel portal and pre-cast clad panels with extensive showroom glazing. The level of detail achieved from a simple design is a credit to the owner's vision.
