

Dooralong Valley Resort

“We’re very happy we chose LA.”

RAY STEHR, OWNER

LA were engaged as Project Managers to undertake major extensions to the existing reception and administration building. The high standard of work produced cemented LA's reputation with the client. Further works were undertaken including refurbishing the bar areas in the dining room, construction of an extensive multilevel outdoor entertainment area and fireplace. LA also designed and transformed an existing conference building into a local country hotel called the Oxley Tavern.
