### PROJECT DETAILS

**CLIENT**  
Catholic School Office

**DESIGN**  
QOH Architects

**CONSTRUCTION TIME**  
26 weeks

**PROJECT COST**  
\$698,000

This brand new construction was designed by QOH Architects, who received a commendation by the Newcastle Architecture Awards. Inside the building there are soaring ceilings and excellent natural lighting, and outside the hardwood decking extends the usable space. The library was part of a series of works on the site, which included a new administration block and classrooms.
