Fairhaven Services are a non-profit organisation servicing and creating work for people with disabilities. LA were invited to assist the Board of Directors in establishing a state-of-the-art employment zone to service the northern end of the Central Coast. As Project Managers, LA assisted in the purchase of land within the Tuggerah Business Park, engaged all consultants, acquired all necessary approvals and completed the construction of a 1300m<sup>2</sup> concrete paneled multi-purpose production and warehousing facility with associated clean rooms, administration and parking.
